Who are the Solar Guys Zambia?
The Solar Guys Zambia are your local solar experts,bringing you the latest in solar technology with products like Freedom Won Lithium Batteries,Victron Energy Solar Equipment,and Canadian Solar Panels. They offer high quality solar installations,from battery back-up to full off-grid solutions,ranging from 3kva to Mega Watt systems.

Why should you invest in a photovoltaic system in Zambia?
Zambia provides optimal conditions for photovoltaic (PV) with average irradiation rates of 5.5 kWh/m². To harvest that huge source of energy we provide a wide range of photovoltaic solutions for the residential, business and social sector. In general, PV systems can be devided into on-grid and off-grid systems.

Why should you choose a solar pump system in Zambia?
Zambia has one of the biggest water resourcesin Sub-Saharan Africa and our solar pump systems will enable you to access those resources at any place. Either for residential use,irrigation of farm land or industrial applications,solar pumps will ensure an independent water supply at your location.

Why do you need a split unit system in Zambia?
Split-unit systems are ideal solutions for the tourism and social sector as well as bigger apartment buildings. Load sheddingis a constant problem in Zambia which can cause devastating revenue losses. Our backup systems will help you to be prepared in case of power outages.
