Can Conex depot manufacture a shipping container?

Conex Depot can manufacture new shipping containers using their shipping container factory partners. Buyers can choose the size, color, and door configuration of their containers when placing a large order.

What is a folding shipping container?

The Folding Shipping Container is an essential part of our Prefabricated Building offerings. Materials commonly used in prefabricated building construction include steel, concrete, wood, and glass. Each material offers unique advantages in terms of strength, durability, and design flexibility.

Why should you buy a folding shipping container?

Upgrade your Prefabricated Building with the elegant and durable Folding Shipping Container. Purchasing prefabricated building products wholesale brings cost savings, bulk purchasing discounts, and streamlined supply chains. Wholesale suppliers offer customization options and consistent quality assurance.

What are the payment terms for wholesale shipping containers?

The payment terms for a bulk order of shipping containers from Conex Depot are: 50% upfront, 40% on confirmation of shipping, and 10% on confirmation of arrival at the receiving port. Contact our sales team today to discuss your buying requirements.
