-----

Unlike standard 10kW units, our 15kW battery storage system employs LiFePO<sub>4</sub> cells with 6,000+ cycle life - nearly double traditional NMC batteries. The hybrid inverter supports 200% solar ...

These cells meet rigorous safety and quality criteria, as they are certified by both UL and CE. ? Automotive Grade LiFePO<sub>4</sub> cells that meet UL /CE certification standards, up to 5000 cycles.

Mobile 15 kW hybrid energy storage system with 33 kWh LiFePO<sub>4</sub> battery. Scalable, silent, and emission-free solution for backup, construction, and ...

The mobile ESS has already obtained EU CE and EMC certifications, and other mandatory certifications are in progress. It complies with EU laws ...

Our product lineup includes stacked-type lithium batteries, racked-type LiFePO<sub>4</sub> batteries, BESS, battery containers, and more. All our products meet the highest quality standards.

Utilizes high-safety LiFePO<sub>4</sub> (LFP) battery cells, offering long cycle life, excellent thermal stability, and reliable performance. All-in-one cabinet includes battery pack, inverter, and BMS, ...

We provide the highest quality products and the most professional services. We provide different design solutions for large, medium and small customers. We continue to develop and improve ...

This product is a cold chain container designed for preserving, freezing, or refrigerating vegetables, fruits, fisheries, and other industrial bases. It is solar-powered, equipped with a ...

emission-free solution for backup, construction, and off-grid sites.

The mobile ESS has already obtained EU CE and EMC certifications, and other mandatory certifications are in progress. It complies with EU laws and regulations and has a high ...

Equipped with a robust 15kW hybrid inverter and 35kWh rack-mounted lithium-ion batteries, the system is seamlessly housed in an IP55-rated cabinet for enhanced protection against water ...

JST's BESS offers scalable, modular energy storage for grid, commercial, and industrial use--built for performance and resilience.
