Our 625W, 630W, 635W, 640W, 645W TOPCon All Black Bifacial Dual-Glass Solar Panels, with it's 182mm/156cells N-type design, sets a new standard for power density.

Introducing the Bifacial Solar Panels 630Wp, Runergy DH156N8, Dual Glass - a top-tier solution for those seeking the latest in solar technology. These panels utilize advanced N-Type cell ...

Guocheng Energy Construction Group Co., Ltd. Solar Panel Series Double Glass 605-630W. Detailed profile including pictures, certification details and manufacturer PDF.

Thanks to Topcon technology, these full black panels excel in low-light conditions like mornings, evenings, and cloudy days, generating more power compared to conventional panels.

Glass-glass module structures (Dual Glass or Double Glass) is a technology that uses a glass layer on the back of the modules instead of the traditional polymer backsheet.

Built with 210x182mm 16BB monocrystalline N-Type half-cut cells and an advanced double-glass bifacial design, this module achieves 610W to 630W output with up to 23.3% efficiency, ...

The UE650T-78HBD is a high-efficiency, ultra-high-power 630-650W N-Type TOPCon bifacial dual-glass solar module designed for utility and commercial-scale PV projects requiring ...

Environment: Irradiance 1000W/m², Cell temperature 25°C, Spectrum AM1.5 NOC-Standard Test Environment: Irradia.

Excellent Bifacial solar cell, Appearance design, Performance symmetrical low risk of micro-crack High
