What are Ring Power Packs?

Ring Power Packs are external backup batteries designed to provide extra power for Ring Alarm Pro and the eero 6 Extender. They are meant to be plugged into your Alarm Pro all the time, and you can connect up to 4 Power Packs to a Ring Alarm Pro.

Where can you check Ring Power Pack's battery life?

Monitor battery life with a few taps. Check on battery levels from anywhere right in the Ring App. You'll also receive app notifications when battery levels are low to help you avoid being caught without backup power. The sleek design allows Ring Power Pack to stack neatly underneath your Alarm Pro or eero 6 Extender.

Where does Ring Power Pack Ship?

Ships via ground within the U.S. (excluding Alaska, Hawaii, American Samoa, Guam, Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands.) Keep your home security ready to protect, even if the power goes out, with Ring Power Pack. Ring Power Pack extends the battery life of your Alarm Pro by up to 8 hours.
