What are the best circuit breaker brands?

With that in mind, let's explore the best circuit breaker brands - both for residential circuit breakers and industrial circuit breakers - and what makes each stand out. Square D (a flagship brand of Schneider Electric) is often considered one of the best circuit breaker brands, highly regarded by electricians and contractors.

Which breaker should I buy?

Overall, Square D is a top choice when you need peace of mind that your breaker will perform when it counts, whether in a residential fuse box or a factory distribution board. Eaton is another industry giant, offering a broad range of circuit breakers for residential, commercial, and industrial applications.

What are the Big 5 breaker brands?

The "big five" brands we discussed - Square D, Eaton (Cutler-Hammer), Siemens, GE, and ABB - cover the vast majority of needs in the North American market for new and replacement breakers. Regional availability can play a role as well.

What types of circuit breakers does Siemens offer?

For industrial and commercial applications, Siemens offers an expansive range: from molded case breakers in distribution panels to large air circuit breakers and vacuum circuit breakers for medium-voltage systems.
