Who is Belga solar?

Based in Wallonia, Belga Solar is the only Belgian manufacturer of photovoltaic panels. For more than 15 years, we have been designing and producing high-performance, reliable and durable solar panels, designed to meet the requirements of professional installers and distributors. Our panels are designed and manufactured in Belgium.

Does Belga solar have a local stock in Belgium?

Belga Solar has a local stock in Belgium, ensuring short delivery times. You order only what you need, when you need it, whether by the pallet or for large volumes. All our panels are covered by a 25-year product warranty. This solid guarantee reassures your customers, both private and professional, and enhances the quality of your work.
