Does China control the Panama Canal?

“China supports Panama's sovereignty over the Canal, and stays committed to maintaining the status of the Canal as a permanently neutral international waterway. China has never engaged in the management and operation of the Canal. Never ever have we interfered. The so-called China's control over the Canal is nothing but a lie.”

Does China have a role in Panama?

China's involvement in Panama has expanded notably over recent years, encompassing economic investments, infrastructure projects, and diplomatic engagements. This growing presence has prompted discussions about the extent and implications of Chinese influence in the region.

Did China influence the Panama Ports Company?

To counter allegations of Chinese influence, the Panamanian authorities announced "an exhaustive audit" of the Panama Ports Company, part of Hutchison Ports, itself a subsidiary of Hong Kong-based conglomerate CK Hutchison Holdings.

What role does Panama play in China's Belt & Road Initiative?

Geopolitical Positioning: By engaging with China, Panama strengthens its role as a bridge between Latin America and Asia. It positions itself as a key player in China's Belt and Road Initiative (BRI), further integrating into global trade networks. Potential Risks and Challenges
