Why should you use seafold containers?

SeaFold containers, known for their efficiency and environmental benefits, have the potential to redefine operations in several critical areas. In maritime operations, SeaFold containers deliver substantial cost savings for one-way cargo shipments through more efficient loading and unloading procedures.

Why do you need a folding container?

To sharpen material handling efficiency, ORBIS' folding containers offer more capacity, less wasted space, reduced shipping and storage costs. They quickly assemble or collapse in only 3.8 seconds. Containers are an economic, environmental and efficient alternative to corrugated boxes or cases when shipping long distances.

What is a hand-held folding container system?

Take the air out of shipping and storage costs with the Hand-Held Folding Container System. To sharpen material handling efficiency, ORBIS' folding containers offer more capacity, less wasted space, reduced shipping and storage costs. They quickly assemble or collapse in only 3.8 seconds.

Are foldable containers a good idea?

Yes. It's that simple. It's true, all the big shipping lines and shippers have seen the full potential of our foldable containers. Cutting out inefficiency in the supply chain and hitting corporate sustainability goals as well. It's time for you to take responsibility.
