A buddy and I are planning to float the Skykomish for the first time in pontoon boats this Thursday on January 2nd. We are looking for any good feedback on where to PUT ...

Hello All, I was planning on floating the Cowlitz this weekend, Barrier to Blue creek. I see the flows are up quite a bit. Any input on floating it at this level?

My husband and I are thinking of floating the river from the white bridge to Crossover Bridge. Looks like a good float for a couple of noobies. Just wondering if any one ...

The end of a floating flyline still can float lower than the main body of the line because the ratio of floating coating to core is lower in this small diameter section.

I recently purchased a Scientific Angler Mastery Texture Series: Titan Taper line. It is a shooting head floating line that has an "aggressive" 33 1/2 ft...

You can absolutely tie/ weld/ glue some floating line onto some sinking line (t-x), but the beauty of mow tips is that the floating line tapers into the sinking line and thus turns ...

Ok, so I'm a bit lost when it comes to fishing emerger patterns and nymphs in still water. Should I be using a floating line, just let it sit?

Finally, there are add-on sinking tips that, like poly leaders, loop to the butt section of a regular line (usually a floating line) and are intended to in effect turn the floating line into a ...

^^^ What Argent said. I have both Rio and SA and prefer the SA, at least for floating lines, technical dry fly
