My company gives out free promotional items with the company name on it. Is this stuff called company swag or schwag? It seems that both come up as common usages--Google ...

Discover affordable, eco-friendly off-grid container homes. Enjoy energy independence and modern living with our custom-built solutions. Get a free consultation today!

These are complete PV solar power systems that can work for a home or business, with just about everything you need to get the system up and running quickly. The kit prices shown ...

Free Shipping on ALL Solar Kits (Lower 48 States Only) OMO will deliver your Solar package directly to you with our Internal Freight Dept... Sort of like White Glove Service...

However, energy usage varies for every household, so the best approach is to design a custom off-grid solar kit based on your specific energy usage patterns. Reach out to our team of ...

If so, my analysis amounts to a rule in search of actual usage--a prescription rather than a description. In any event, the impressive rise of "free of" against "free from" over ...

A friend claims that the phrase for free is incorrect. Should we only say at no cost instead?

Quick setup and installation -- fully off-grid and ready to operate in no time. Custom configurations based on your specific needs -- including options such as water purification, ...

I don't think there's any difference in meaning, although "free of charges" is much less common than "free of charge". Regarding your second question about context: given that ...

I want to make a official call and ask the other person whether he is free or not at that particular time. I think asking, "Are you free now?" does't sound formal. So, are there any ...

What is the opposite of free as in "free of charge" (when we speak about prices)? We can add not for negation, but I am looking for a single word.

Saying free or available rather than busy may be considered a more "positive" enquiry. It may also simply mean that you expect the person to be busy rather than free, rather than the other way ...
