The price trend of container energy storage products has become the industry's hottest topic, with prices plummeting faster than a SpaceX rocket stage. Let's unpack what's ...

nRF Cloud provides Device Management, Device Observability, and Location Services for Nordic devices. Get started free and manage, update, monitor, and debug your devices remotely.

Nordic Semiconductor, a global leader in low-power wireless connectivity solutions, today announces the acquisition of its long-term partner, Memfault Inc., the market-leading cloud ...

Explore market trends, pricing, and applications for solar energy storage containers through 2025. Learn about key cost drivers, technological advancements, and practical uses in ...

It is designed as a complementary component to Nordic's nRF52(R) Series and nRF53(R) Series System-on-Chips (SoCs) to ensure reliable power delivery and stable operation, whilst ...

Nordic Semiconductor, the global leader in ultra-low-power wireless connectivity solutions, today announced its acquisition of the intellectual property and core technology assets of Neuton.AI, ...

Trusted by thousands of developers and holding a 40% market share, Nordic's Bluetooth(R) LE solution is the go-to choice, leading to over two million wireless SoC (System-on-Chip) ...

The "eufy Smart Lock E30" employs Nordic Semiconductor's nRF52840 SoC to power the Matter-over-Thread connectivity, enabling users to lock and unlock their smart lock via any Matter ...

Nordic Semiconductor, a global leader in low-power wireless connectivity solutions, today announces the
