Alarm goes off: "To go off" means "to trip, to start sounding". Something has triggered the alarm, and it went off (started sounding, flashing lights, what not).

They can be installed in remote areas that are not connected to the national grid, making them an ideal solution for off-grid communities, military bases, and disaster-stricken areas.

We will ship it when it comes in stock. This Package is a great package for a Complete Offgrid Home. The Solar Array will produce around ...

It's not too common though. The two most common formulations are: I get off work at 5. and I get off of work at 5. At least where I live, "get off from" is used, but not as ...

"The company wants to dispose off the equipment." Is this sentence correct. I am confused whether it is dispose of or dispose off as I see a lot of sentences that use dispose off.

For the products, Each set solar power system has power on& off test 100 times per hour. Each step of production is under strict quality control. Our products are qualified with CE, ROHS, ...

Ditto, and to (2) you could add "I won't be in next week". In fact, you could take a week off trying to decide which one to use. They are all in the same register, and for normal ...

What is the difference between on-grid and off-grid? On-Grid Systems tie directly to your utility grid, selling an alternative source of energy in addition to what your utility company ...

Quick setup and installation -- fully off-grid and ready to operate in no time. Custom configurations based on
