Where to buy solar roof tiles?

solar roof tiles has been taking the world by storm! Don't miss out on the amazing solar roof tiles products in store for you. With the great quality of solar roof tiles at an affordable price, you're definitely in for a treat. Lucky for you, you can buy solar roof tiles on Shopee at a discounted price!

What are the different types of solar roofs in the Philippines?

There are three types you can choose: grid-tie, off-grid, and hybrid. Grid-tie solar systems are common for a solar roof in the Philippines. They interconnect with an existing grid and do not use batteries. This system allows you to use power from the grid at night -- or when you consume more electricity than the panels can produce.
