-----  
Can I get free curbside removal of large items?

NYC residents can get free curbside removal of large items. You can set out up to 6 items at the curb per collection day. Pick-up appointments are no longer offered and cannot be scheduled. For curbside collection, set out: NOTE: Large items that aren't recyclable should be set out on your trash-only day, NOT your recycling day.

What is a spot check template?

Ensure proper use of personal protective equipment with this focused spot check template designed for safety compliance verification. It includes inspection points for availability, condition, proper usage, and employee knowledge of PPE requirements with clear evaluation criteria.

How do I track and document daily spot checks?

Track and document daily spot checks systematically with this log template designed for ongoing quality verification. It features a structured format for recording inspection times, areas checked, findings, and follow-up actions with space for supervisor verification.

How often should a company conduct a spot check?

For high-risk areas, conduct weekly checks; for standard operations, bi-weekly or monthly checks are typically sufficient. The frequency should increase after identifying compliance issues using spot check templates.

What's the difference between spot checks and regular audits?

Use this site spot check checklist to verify PPE, electrical safety, working at height, tool condition, storage, and cleanliness on construction sites.
