What are ready America emergency response & disaster relief containers?

Ready America customizes and delivers Emergency Response & Disaster Relief Containers nationwide. They are custom retrofit Grade A containers that offer secure storage of critical supplies. For quick deployment in an orderly fashion, and to save time when it matters most, emergency supplies are stored on heavy-duty metro racks.

What is a weather-resistant secure container?

Our weather-resistant secure containers solve your emergency storage or ground-level office needs quickly, keeping critical relief supplies safe and dry. Our space-saving stackable units offer secure, weatherproof solutions to a range of pandemic-related needs.

Why should you rent a container storage unit?

**SPEED:** Rapid delivery and installation of emergency portable container units. **SAFETY:** Fire- and weather-resistant units provide security and protection. **VALUE:** Freight container storage rentals with a 30-day billing cycle, so you get more for your money.

Why should you use portable storage containers after a tornado?

They can destroy buildings, flip cars, and create deadly flying debris. By leveraging portable storage containers for the cleanup efforts after a tornado, affected areas can get a jump-start on tornado disaster relief efforts, the rebuilding process, and bring back a semblance of normalcy following such a traumatic event.
