The solar array will span the municipalities of Starse, Hajdina, Gorisnica, and Markovci in northeastern Slovenia. The spatial plan paves the way for securing a building ...

Summary: Maribor, Slovenia, is embracing innovative energy solutions with containerized energy storage systems. These modular units offer grid stability, renewable energy integration, and ...

Our's Containerized Battery Energy Storage Systems (BESS) offer a streamlined, modular approach to energy storage. Packaged in ISO-certified containers, our Containerized BESS ...

Ljubljana's photovoltaic energy storage companies aren't just installing panels - they're rewriting the rulebook. Take SolTech Energija's recent project at BTC City shopping ...

Discover how the Ljubljana Photovoltaic Power Plant Energy Storage System is revolutionizing renewable energy storage in Central Europe. This article explores its innovative design, ...

Technological advancements are dramatically improving solar storage container performance while reducing costs. Next-generation thermal management systems maintain optimal ...

Slovenia's energy companies are active in developing innovative electricity transmission and distribution solutions, while the country's energy infrastructure is among the strongest in the ...

Slovenian company Soske elektrarne Nova Gorica (SENG) commissioned its first solar power plant - Kanalski Vrh. The facility is at ...

With PV solutions designed, manufactured, and installed by #CHINT and local partner JV, the facility is key
