Discover the sustainable and cost-effective off-grid solar container lighting kits, powering remote areas, disaster relief, and more.

Discover how Higher Wire shipping container solar systems provide reliable, off-grid power for remote worksites and projects.

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

Designed for quick and easy setup, this solar street light comes with everything needed for fast installation. The included bracket, bolts, washers, and remote ensure a seamless process.

Sun-In-One(TM) engineers and manufactures efficient LEDs, Security Lighting and Solar Power Kits for everyday uses that match on-grid reliability, safety, and security.

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ...

We are offering mini renewable power stations in a Off-Grid shipping Container ready to be deployed worldwide. These include solar PV panels and mountings.

But I'm generating way more solar power than I can possibly use in this off-grid container, and so peak efficiency is less important to me.

A solar-powered container can run lighting, sound systems, medical equipment or communications gear without waiting for grid ...
